

# Illustrator Activity Checklist

Follow the instructions for each of the following. Use the video tutorials to complete each Artboard.

- ☐ **Line:** Draw 20 different lines with the pen tool; label them with a name that describes them.
- ☐ **Shape:** Create 1 composition with only geometric shapes and 1 composition with only organic shapes.
- ☐ **Color:** Use the shape tool and the color picker to build a 12-step digital color wheel.
- ☐ **Value:** Create four 10-step value scales for each of the following: White, Yellow, Magenta, and Cyan.
- ☐ **Texture:** Chose 10 words that describe a texture. For each word, mask the text with an image that shows the texture of the chosen word.
- ☐ **Space:** Use the rectangular grid tool to make nine boxes in an evenly spaced grid. Use the clipping mask to place themed images in each box.
